### ABOUT HOME

*This is a beautiful, traditional brick home with plenty of space and large open rooms throughout. The main floor has two extra large bedrooms and two bathrooms, one with a whirlpool bath. The basement is totally finished with two bedrooms and one bath. The home has a vaulted ceiling in the family room with traditional white wooden columns and beautiful wide crown molding throughout the home. It has been professionally decorated with all of the latest colors and a beautiful spacious open kitchen. The utility room is located on the main floor and is extra large with walk-in pantries for storage. There is a steel and concrete reinforced storm shelter in the basement that is totally underground on all sides. Ceramic tile and wood floors are throughout the home. There is also a 30x30 wood deck located on the back of the home. The yard has been very nicely landscaped. The property also has a greenhouse and an extra large shed for the man of the house in the backyard. A creek borders the property. This is truly a great buy on a house of this size. It is listed for way below the appraisal. This home has been well- maintained and is maintenance free. It is just waiting for someone to move in. There are many other extras included with this home.*
