### ABOUT HOME

*This property is located in a very nice neighborhood and is only minutes from downtown Bowling Green and Scottsville Rd. Located on one acre of land, this three bed room, two bath home features a large living room with fireplace, a two tier staircase leading upstairs to a large bedroom and a bathroom. It has vaulted ceilings which give this home a spacious look and feel about it. The outside of the house is landscaped, and has recently been painted (a nice mild yellow with white trim and brown shutters). This is a great starter home for a new family or even a great home for those retired couples looking for peace and quiet.*

*Also, at the back of the property is a nice size shed/workshop, approximately 20'x20', with a new roof. This would make for a excellent workshop and storage facility. Plenty of room for a garden and there is also a leveled area out back for a 16' to 18' above ground pool.*

*Come see this home soon, as it won't last long on the market!!*
