ABOUT HOME

This rare, mini estate consists of an elegant, three story brick Queen Anne situated on a beautifully landscaped, large, double lot. A covered, wooden deck leads to the private, brick patio with trellis and a three tiered fountain. Large trees, gorgeous perennials, a wooden play yard and a two-car garage, complete the setting.

The First Floor includes a great 15x15 Kitchen with eating space, oak cupboards and pantry. The adjacent 12x15 Sunroom maintains an exposed brick wall with plenty of sunlight entering its surrounding walls of natural wood, pane windows. Located in the elegant Parlor is a gorgeous antique mantle and fireplace. Pocket doors separate the Parlor from the spacious 15x16 Living Room.

By way of the Victorian stairway, the Second Floor contains three large Bedrooms, and a large full Bathroom with a whirlpool tub. The expansive hallway is well lit by two, separate windows.

Another stairway leads to the spectacular Third Floor which could be maintained as a combination bedroom and living area. There is plenty of room on this full floor with natural lighting abundant due to the expansive dormer, many windows and three large Velux skylights.
