ABOUT HOME

Welcome to 21 Annette Drive. Located in the ever popular Golf Edge section of North Edison, on a half-acre of property, this home is just minutes away from all major forms of transportation. This home is waiting for itsâ€™™ new owners.

As you enter the front door of this lovely 4 bedroom split level, you will immediately notice the wonderful care that has been given to this house.

You enter into a large foyer with the 4th bedroom off to the right. The family room and powder room are located to the rear. To the left of the foyer, just two steps up, is the living room with a large bay window, vaulted ceiling, and hardwood floor.

Just off the living room, several steps up, is a beautiful dining room with an oak railing on one side. To the rear of the dining room is a large eat-in kitchen with a separate dining area.

The third floor is the bedroom area with three large bedrooms and remodeled bathrooms, one off of the master bedroom.

The basement has recently been finished and includes a separate laundry area, storage area, and a large pantry.

This house contains a 3-zone gas heated hot water baseboard heat fueled by a new â€™Weil-McLainâ€™ boiler. The 50 gallon hot water heater is also less than a year old. This house is cooled by Central Air Conditioning.

This home is loaded with recent upgrades including a new dishwasher; new gas oven/range; replacement windows; raised six panel doors; new oak railings; remodeled bathrooms; new garage doors (with automatic openers); recessed lighting in the family room, living room, and finished basement; built in corner shelves in the garage; rear deck; and storage shed in the backyard.

When you re looking through the Sunday paper you might see ads that say [fsbo home](#), [fsbo house](#), or [fsbo land](#). What does fsbo mean? FSBO stands for For Sale By Owner. This is when a seller puts up his home or land for sale without the use of a real estate agent.
