ABOUT HOME

When walking up to the main entrance of this home you are greeted with a beautiful deck. There is a relaxing hot tube of the far north corner of this main deck. Once you are inside main entrance you are welcomed with natural hardwood floors, and attractive tile. This main level contains a newly transformed kitchen, 2 bedrooms, dining room, living room, French room. The spacious living room is newly remodeled, and so are the main levels two bathrooms. One of the newly bathroom is attached to the luxurious master bedroom. The French room is spacious and contains a natural fireplace, great room for entertaining. There is another large deck located on the west end of this home that has great views of the sunset. The lower level of this home, has a cozy mother-in-law suite, complete with its own kitchen and full bathroom. The bathroom has been recently tiled, and the kitchen has its own pantry. This lower level has two bedrooms which have brand new laminate hardwood. The living room is inviting, and warmth is added to the room by another natural fireplace. The amenities don't end here, there is a above ground pool with a magnificent gazebo, six car garage, and nine scenic acres.
