ABOUT HOME

MUST SEE! FULLY UPDATED!

This is a great home in a great neighborhood! There have been many updates in just the past three years, so it will be a very low-maintenance property for a long time. The school is right across the street, and shopping is only a block away. Some recent improvements are: Both bathrooms have just been re-done, with a custom built hardwood cabinet in the full bath; New Floors; New Roof (full tear-off in 2005); New Vinyl-coated steel siding; New Windows.

Also, there is a two-sided fireplace that opens to both the living room and family room. The family room has a sliding door to a covered concrete patio. The three spacious bedrooms and hallway have hardwood floors. The living room has new Pergo flooring, the kitchen has new linoleum and the family room has new berber carpeting. There is a full un-finished basement which is perfect for a shop or storage. This is a great home, please call me for an appointment to see it!!!!
