ABOUT HOME

If you're looking to get away from it all and become one with wildlife yet still be close to Billings and all its ammenitites you've come to the right place! This log home is on a secluded 20 acre tract that borders 640 acres of State Land. It is surrounded by Montana's natural forest of pines and wilderness grasses which you can use for hiking, jogging, cross country skiing, snowmobiling, rafting, fishing or any of your other outdoor activities.

This home has vaulted celings in the main living room with exposed log beams and laminate flooring through out. There is a place for a wood burning or pellet stove and large picture windows to enjoy the view of the great outdoors. Two patio doors open on to a wraparound deck for entertaining or just a relaxing evening on the deck. The master bedroom is upstairs with a propane gas fireplace and master bath. Sunken jetted tub and seperate shower for you choice of bathing pleasure.

The lower level features a daylight walk-out unfinished basement. You can put your own imagination to work and design this area to your own tastes. There is plenty of room here to do quite a few different things downstairs.

The house has it's own 3 gpm well for water supply the feeds into a 2,200 gallon cistern for all your household needs.
