ABOUT HOME

This Tri-level home features approximately 1900 s.f. of completely remodeled living space on a 1/2 acre lot with landscaping like no other. Main level living room welcomes you home with a gas fireplace. As hardwood and slate floors keep it cozy and warm, central air keeps you cool all summer long. New appliances and task lighting make the kitchen a dream for any cook. Upper level includes spacious master suite with walk-in closet and tiled bath. A second bed and additional bath are also located on this level. Daylight basement consists of large family room, bedroom and bath, as well as a separate laundry room and storage. THIS IS A MUST SEE INTERIOR!
