ABOUT HOME

Neutral colors, split bedrooms, large foyer, 2 living areas and large back yard are just a start. This 2361 square foot 4 bedroom, 2 ½ bath has so much more to offer. It's been said that this is a very "family friendly" home. The ceramic tile entry that flows through the formal dining and into the kitchen makes for a great space to entertain. Meanwhile the family room with its cozy fireplace is the place you want to be for those more intimate times. The Master suite is all you would expect of a custom home, custom cabinets fill the open kitchen and of course there's a covered patio for those cookouts we all love. You really must see this home to appreciate all it has to offer. Add to all this a large yard and storage. From I-540, West on Pleasant Grove, left on Bellview, right on West, left on Berry Farm.
