ABOUT HOME

This cute home has been completely remodeled inside and out. The large living room features beautiful French country tiles in 3 different sizes, Mediterranean drag walls in a beautiful neutral color, and the focal point is the hand-made Victorian fireplace mantel surrounding a new wood burning fire-place with blowers. The kitchen features a roomy dining area with new lighting and the kitchen has breath-taking hand-made custom oak cabinets done in a white-wash finish with scroll accents. New white countertops and like newer appliances (electric self-cleaning stove and white side by side refrigerator) also help to add to the elegance of this cute and large kitchen. Through the dining area there is the 3rd bedroom or wash room or office. It has its own closet as well and the washer/dryer closet. The door that leads to the large backyard is in this room as well. Back to the living area there is a small hallway with 1 large sized functional broom/linen closet. There are good sized bedrooms off of the hallway both featuring extra large walk in closets. The first bedroom has a small nook for a computer desk. The cute yet cozy bathroom completes this excellent starter home. The neighborhood is nice and friendly and within walking distance to Jane Long Elementary. The school system is Jane Long/Alamo/Robert E. Lee.
