ABOUT HOME

Very well constructed vintage home in old neighborhood. Oak hardwood floors, lots of built-ins, spacious dining and living rooms, fireplace, and 3 bdrms. on main level. Beautiful landscaping on corner lot with productive garden. New exterior paint, new curb, gutter, streets, and handicap cutouts at corners. 3 blocks to gradeschool, parks and downtown nearby. Former mayor's family residence. Basement is about 900 sq. ft. and is currently used as a pool room, work-out room, and storage/utilities area. Old washtubs and washer/dryer remain. New refrig. and fairly new gas stove in kitchen remain. Old Brunswick billiards table in basement may remain. . . I don't want to move it. A very charming, architecturally pleasing design in an older Cheyenne neighborhood.
