ABOUT HOME

This home is perfect for first time home buyers or real estate investors! Although small and cozy, it is sitting on nearly half an acre. We've put our blood sweat and tears into it and are sad to be leaving it. All the interior two-toned paint is no more than two years old. The front part and basement of our home has new insulation, wiring, wall board, and upstairs we even uncovered the original beautiful hard wood floor and restored it. All carpet and tile is no more than two years old. All appliances are negotiable. This is a must see for the inside and the land. We are accepting any reasonable offers
