ABOUT HOME

Amazing property, 35 acres, cedar log home, pond, horse property

This is a one of a kind retreat location within 45 mins from downtown Pittsburgh. This property was developed over a twenty year period, immaculate condition. The location is ten minutes from Cabela's in the Dallas Pike area.

The retreat consists of a beautiful cedar log home, landscaped grounds on a property with abundant wildlife, a pond, great hunting, fishing and wonderful location for horse lovers. There are hundreds of acres adjacent to the property for endless activities.

The property also contains a second cottage/prefab house perfect for aging parents with separate two-car garage. The log home consists of three cozy bedrooms, a great room, fireplace, gas stove, finished basement and a separate two car garage with an unfinished loft. There is a wonderful deck that wraps around the house including fir and french doors opening to the house.

The lighted lane to the house runs over a stream, up a hill to the secluded hideaway. We've not decided to put the property on the market with a realtor but may in the near future.

You can contact us by phone and/or email. Pictures upon request.

thank you,

J&J

When you re looking through the Sunday paper you might see ads that say [fsbo home](#), [fsbo house](#), or [fsbo land](#). What does fsbo mean? FSBO stands for For Sale By Owner. This is when a seller puts up his home or land for sale without the use of a real estate agent.
